System Requirements For Any Send:

Mac Linux Windows Please note: If you are having issues with the game or are experiencing crashes please visit the Technical Support page.
FAQ: Q: Are there any differences between various versions of the game? A: This is a question for the user to decide. What we can tell you is that on average it will take about two weeks of actual game play for a new release to be added to our servers. Additionally, it can take up to a few weeks for us to get up to speed on any
