Category:Indian songs Category:Tamil songs On May 25, the Supreme Court ruled in the case of Whole Woman's Health v.
Hellerstedt. Writing for the majority, Justice Anthony Kennedy held that the "pre-viability exception" on which Texas relied to
restrict abortion care to those performed at 20 or fewer weeks' gestation does not apply to the entire state. Justice Kennedy
further held, however, that the admitting privileges requirement that the state had used to restrict abortion in clinics did apply to
clinics located in whole counties. With that important ruling, Texas has essentially defined abortion care in terms of county
borders. Justice Kennedy's opinion rested almost entirely on the fact that no clinics exist in the specific counties that had
violated the law. He argued that this rendered the admitting privileges requirement meaningless. In his view, the Legislature is
empowered to redefine abortion care to include whole counties; the Judiciary, however
