Elden Ring Features Key:

HUMAN-GEM COSMIC CONVERGENCE The power of a legendary hero, and the soul of a techno-organic body. As you hold onto the immense power of the human body and the technology of mystic machines through acts of love and hate, you will slowly ascend in your Tarnished Rings of Chaos universe as an imposing, enigmatic character.

RISE FROM A NOVEL TO AN OUTLAW The logical answer to the problem of life and death is a disease that transforms a human body into a fetish object. However, because of that disease, the contagion spreads across the land and becoming an outcast is just a matter of time. It doesn't matter if you are already a noble or filthy, in the world on the brink of revolution.

INVESTIGATE THE HUMAN SOUL Since the great power of humans lies in their dreams and ambitions, your greatest desire will be awakened through murder and betrayal, amending your own current state. It's not where you start, that matters, but how you act once you've started on your journey.

EXPERIENCE AN ASTOUNDING WORLD The Lands Between is a world where dramatic events occur without warning. As you ride on the back of a powerful mechanized mount, you will enjoy the adrenaline rush with the sensation of an unforgiving world.

CREATE A BETTER WORLD Weapon Up! Play your favorite game genres and enjoy it in the Lands Between. Each weapon in the game has its own flavor and uses; the item that matches your current state as a Tarnished Lord will be the best treasure!

What's new in Elden Ring:

Enter the fantasy world of Gerlint, a new adventure in the form of the online RPG brought to you by Cyanide and Toy Box Interactive. A population of strange creatures called Mana Forests, the fertile lands between the Divinity Tree, a living tree that lets the Mana Spirit rise, and the snake known as the Grue, shed every Mana on the Divinity Tree to make the landflowers - life giving herbs. Life became a living nightmare with the emergence of the Mana Forests... Since all the Mana has been consumed, the Mana Spirit cannot rise. Abandoned by his people, Shubaka, a child living in the wasteland of the Mana Forests, seeks the bridge between the Divinity Tree and the Grue. Why did he have to cross the Mana Forests, where he was viciously hunted... Ryukotsu, a black-robed monk, was not able to accept the facts about the Mana Forests and the Grue. Even within the Mana Forests, weak-minded humanoids called Magic "Mana Skirts" exist, but the Mana Forests are full of deadly beasts known as "Mana Beasts." Ryukotsu dedicates all of his wisdom and faith to Shubaka and brings him to this world of increasing despair. The tension has only been growing, but when Ryukotsu has a... 2 eruption of Mana Forests that suddenly comes about, the situation has reached a point where only Shubaka's quest lies ahead.
