Travelto Anak was here again, giving off an aura that enticed people to approach him, but it was little more than curiosity on the villagers' part. Running into his house after hearing his news about a new monster, Abe had volunteered to help the village develop their own hero. She had responded with a courteous and warm greetings, though the gate was closed for what seemed to be a significant amount of time. After having been left there for quite some time, it was nearing the end of the day. That aside, he was not expecting the monster to be a girl .
