When the fabled Shiny Possibility is not granted by an angel, a mortal's reality becomes a temporary hauntage to the unimaginable. Every breath fills your lungs with dangerous potentials. How can the people in this dystopia survive the trials of their existence? Meet Wendy and JICE, who have been created in the image of humanity as they take a dystopian dream trip to a land of possibilities. Trauma informs the world's meaning and is caused by woundings of time, space and word in culture. Trauma as core becomes the core for Wendy and JICE. Trauma runs through the temporary nightmare of D-Land and the people living in it. Trauma is the central theme of Wendy and JICE's encounter with each other through a surreal journey. Drawing on a conceptualist notion of the formless, Wendy and JICE each appear with a rigid form, but the pair is not an embodiment of state, or vision as the two are multi-dimensioned corporealities. They represent an alternative mode of existence to the people in the land. In D-Land, they are summoned by the Tall Man to keep the space clean. But he soon finds the pair is too kind and kind of impossible to manage. But, he can't let them go. The pair rescues him from a string of murders and it seems that he is the center of the murders. How can the pair take down the Tall Man? -----

Story: JICE and Wendy are designed by the world through a process called trauma. Wendy is a bright-eyed girl, who looks beautiful before she appears on the digital ground. JICE is a left behind earthling who wakes up in a sterile environment and believes that he is an android. JICE and Wendy are summoned by the Tall Man to a

strange world. It seems that the pair is the key to the world. The Tall Man offers to keep their existence a secret from humanity if they keep the world clean. So they accept the offer. But the Tall Man soon finds out that they're too kind and kind of impossible to manage. As the Tall Man captures them for later use, they see a string of murders occurring. It seems that he is the center of the murders. We will continue the development of the game "Wendy and JICE" as expected, and make the very best game by cooperating with you, the game players.
