Machinarium is a puzzle game.Premiere: DJ Feiffer - Foundations It's not as much of a surprise as some of his other remixes, but DJ Feiffer has joined the holy ranks of the drum and bass elite with his Foundations remix of City Girl. Featuring a huge chopped and screwed breakdown, this is another addition to the set of recent IDC Bassline classics produced by DJ Feiffer for the Hopscotch label. With the Chicago native's two-track releases for

Hopscotch, Galore, and his upcoming Bones & Nibbles EP, he's making quite the name for himself in the city of swing and crossover. Whether you know him from his drum and bass roots or as the originator of the Drum and Bass Dubstep movement, DJ Feiffer is sure to make an impact wherever he goes. Listen to one of his most recent offerings below, the magnificent Foundations remix of City Girl. I have a feeling this is going to be huge. I feel like the world is slowly being pulled into a new, brighter, less destructive paradigm. As I have stated in previous posts, knowledge is the power that will create change in our society, but we have had our eyes closed for too long to see it coming, and it is horrifying to be in the minority and have seen this coming. I feel like its going to take 0cc13bf012
