quests, monsters, and dungeons have been added to the existing quest, monsters, and dungeons, such as the Stonefall, Sacred Valley of Vanu, the Darkstraits, and other dungeons. If you're about to enter a dungeon, we've created a lot of new music to prepare you for your experience.

Realistic Character Progression System You will be able to enjoy the immensely deep and exciting Elder Scroll Online! Intuitive and easy to understand skill trees, class customization, and development freedom. In addition to a fairly simple combat system, we've also added a character development system that will allow you to choose from a huge variety of skills to develop your character according to your own play style. A Grand Story Full of Drama and
