As such, all players must download the update to play the game, and all previously earned stars, achievements and items. In the following table you will see information about the downloadable content. FortressCraft Evolved Survival Mode allows players to create their own game, where they are often forced to suffer a series of random events which can lead to survival or death. FortressCraft Evolved Survival Mode is designed to create your own game, allowing you to experience an alien world and the destructive forces of nature. The game is linked in the "Copy game installation folder" option on your Steam cloud. You must use the key provided after you activate the game.
