## Newstar Sunshine 1-35

the early summer sunshine fills our studio flat, brightening the white walls and caressing my arm with its gentle warmth through the velux windows as we sit at the table. crumpet purrs, sunbathing on the wooden floor and pawing the air behind her favourite person. i remember when he picked her up from the street as a skinny black kitten a couple years ago, despite our landlady's no pets policy. she let us keep her, he said. now, i have to share her with the cat, but it is all i'd ever ask for. a former newstar website manager confessed to having sex with minors and to having a relationship with a 13-year-old boy in exchange for access to various areas of the website. the former site manager also admitted that she received and sent naked pictures and videos of young boys to her husband, husband, and a third man who lived in the same house as her and her husband. the website manager also told a third man who lived in the same house that she would not allow her 16-year-old stepson to have sex with the 15-year-old boy he had been dating. the newstar website manager is accused of encouraging the victim's parents to have him sign an "i do" statement to "prove" he was old enough to consent to sex. the parents signed the document, but the website manager did not. the newstar website manager is accused of encouraging the victim's parents to have him sign an "i do" statement to "prove" he was old enough to consent to sex. the parents signed the document, but the website manager did not. one or more people working at newstar manipulated the accounts of the victim and other minors to create fraudulent orders that could be refunded, according to the indictments. these orders generated approximately \$1.3 million. 5ec8ef588b
