

The Flying Swords Of Dragon Gate (2011) PROPER BRRip 480p X264-mSD Greater LA operates a network of ten centers devoted to recovery-oriented mental health, substance abuse treatment, prevention, and early intervention to address the needs of hard-to-reach and underserved communities and individuals in Southern California. Greater LA's mission is to provide the highest quality evidence-based treatment in a culturally competent and trauma-informed environment. We are seeking an experienced, bilingual pre-doctoral student to join our team in helping build programs, train staff, and most importantly, research into the efficacy of trauma-informed substance abuse treatment for Latinos and other underserved communities. Greater LA is in the planning phase of a \$21.2M state grant that will provide health center accreditation and reimbursement opportunities to partner clinics serving Hispanic communities. The work is multi-disciplinary, involving clinical and outcomes research, and outreach and training of staff and providers. In addition to clinical work in our substance abuse and/or mental health centers, you will also have opportunities to engage in research, student and program development, and clinical training in both the substance abuse and mental health fields. Applicants must be US citizens or eligible non-citizens and must live in LA County. No religious preference; ability to work full-time, 40 hours per week is required; strong time management skills and ability to work independently. The above position is a 12 month Post-Doctoral Fellowship for which you will be housed on campus at California State University, Los Angeles. Housing, including a furnished room, utilities, and meals will be provided. There will be a stipend provided as part of the fellowship for teaching, mentoring, program development, and clinical services. Applicants must have completed a Doctoral Program by the start date of the Post-Doctoral Fellowship, and be a citizen or lawful permanent resident of the United States. The fellowship is pending finalization of an agreement with California State University, Los Angeles, and will start in April 2017. These positions are part of a Central Station Mental Health Initiative to increase the provision of treatment and services to people with mental illness who live in stable housing or homeless shelters.
